SEARCH BY COUNTY

Imperial

Don't know your county? [Visit this page to find your county](#) by entering your zip code or city in the search bar. If you are looking for an LRS that serves all of California, you may also select **Statewide** in the counties list. To select multiple counties, press **CTRL** on your keyboard and select the counties you need.

SEARCH BY AREA OF LAW

All

If you cannot find a specific area of law, select **General**. Note that subject areas often have sub-practice types, and an LRS may not have attorneys for all sub-practice types. However, there may be an attorney on the General panel who practices an unlisted area of law. Please contact the LRS directly for more information.

SEARCH BY LANGUAGES SP...

All

Please note that an LRS may include attorneys that speak another language, but the attorney may not be in the particular area of law that you need.
